

The following is the recommended statement replacing the covid statement on entry forms.

Of course that's if there is a room on the entry form but please squeeze in if possible.

Players and officials are asked not to attend any event if they are infectious, or if they are supposed to be isolating or quarantining. Those who come to play and, feeling unwell, self-diagnose that they may be infectious, should inform the director and leave the venue.

This is the recommended QBA wellness policy and will be found in the QBA Regulations shortly but only as a recommendation.

The statement should replace any covid directions on clubs websites if accepted by the club.
